

Board Committee Member Openings

The Centre for Education and Training, Mississauga, ON

Volunteer Position

The Centre for Education and Training (TCET) is seeking outstanding individuals in the Greater Toronto Area to serve on several of the Board's standing committees. As a leading non-profit service provider in the GTA, TCET strives to be recognized as the leader in delivering employment, settlement and language services in the communities we serve.

Committee Member Position Openings:

The Board of Directors for the **Centre for Education and Training** requires interested individuals to serve as members of the Board's standing committees, including the Human Resources and Compensation Committee and the Governance and Nominating Committee. This volunteer role requires a minimum one-year term commitment as well as availability for at least one committee meeting per quarter and occasional attendance at Board meetings. Selected candidates can expect to work approximately five (5) hours per month on committee business.

Interested individuals with experience in human resources policy and management (preferably at the executive or senior management level) and/or experience in non-profit governance, board recruitment, and policy, are asked to submit a resume and cover letter to the Chair of the Governance and Nominating Committee, Ben Earle, at bearle@tcet.com.

THE BOARD OF DIRECTORS AND STANDING COMMITTEES:

On behalf of its members, the **Centre for Education and Training Board of Directors** is responsible for governance and financial accountability of the organization. The Board ensures that TCET adheres to its mandate through providing effective strategic direction, and guidance and oversight of the Chief Executive Officer. The Standing Committees of the Board are a key part of fulfilling this mandate, providing working support to Board activities and work plans. Committee Members are a vital part of the organizations governance structure, providing expertise, experience, and skills that help propel the organization forward.
