

CNIB FOUNDATION, ADVISORY BOARD (GTA)

Life is a beautiful, complex and a wonderful thing. Life for people who are blind should be no different. To deliver on this vision and help us change what it is to be blind today, the Canadian National Institute for the Blind (CNIB) is inviting applications/nominations from spirited, determined leaders to join our new **CNIB Foundation Advisory Board** starting in early 2017.

CNIB is turning 100 years old in 2018. With almost a century of success under our belts, we want to take our work to the next level – smashing barriers and empowering our remarkable clients to live their dreams. The role of this new Advisory Board is to provide leadership to CNIB as we build a client-centered program strategy, strengthen our partnerships and engage more people than ever before in our work. Advisory Board members will be enthusiastic ambassadors for the organization and our mission, building our reputation with clients, partners and donors.

If you are a high-energy business or community leader who feels passionately about changing what it is to be blind today, and want to play a critical role at a transformational moment in CNIB's history, we want to hear from you. To ensure this new Advisory Board brings a diversity of perspectives, skills and relationships to the table, we are seeking representatives from across the GTA's cultural landscape and from the following professional sectors: Arts, Culture, Retail, Construction and Design, Media and Technology, Sport/Recreation and Culinary Arts, Legal and Professional Services, Government and Financial Services/Banking among others.

This is an outstanding opportunity for an accomplished senior executive and influential leader, innovator, entrepreneur and/or up and coming business and/or community leader who is looking to make a meaningful contribution to changing what it means to be blind today, by playing an impactful role in the strategic direction of the CNIB Foundation, at a transformational time in its history.
