Tap **Continue** to proceed to the Sign In screen.

- 7** Enter the username and the case-sensitive password with which you have been provided. Tap **Sign In**.

*Note: If you get a notice that your account has not been authorized, call the number listed in the notification.*

*Note: These security questions are used for identification purposes, and are required in the event of a password reset. The Security Questions Alert window will appear every time you sign in until you select and respond to all questions.*

- 9** If Touch ID has been enabled for your site and your iPad is compatible with Touch ID, you will be prompted to activate Touch ID for Diligent Boards upon signing in. To use Touch ID, choose **Yes** when prompted and follow the on-screen instructions to confirm your Touch ID. Upon successful completion, you will be prompted to sign in via Touch ID for future sessions.

*Note: Touch ID must be enabled by your Customer Success Manager. In order to use Touch ID with Diligent Boards, your compatible iPad must be upgraded to iOS 9 or later and you must be using Diligent Boards for iPad v2.2 or later. If your Diligent Boards site has not been enabled for use with Touch ID, or if your software does not meet these specifications, you will not be able to activate Touch ID for Diligent Boards.*

*Note: For security purposes, Touch ID is not recommended for use on shared devices. Your Diligent Boards credentials will be associated with all Touch ID fingerprints stored on your device, and other device users will be able to access your Diligent Boards materials with their own Touch IDs. If you are on multiple boards, Touch ID must be enabled for every board in order to be available to you as an option.*
