

Congratulations to this year's Directors College Chartered Director\* graduates.

\*The Directors College is an accredited corporate director development program that leads to a university designation: Chartered Director (C.Dir.).

The Directors College 2010 Human Resources and Compensation Committee Program (H.R.C.C.C.)\* Graduates

Developed in partnership with the Human Resources Professionals Association (HRPA), this unique education program provides insight into the role of the Board Compensation Committee for board directors and senior corporate officers.
