

Lead nationwide good times outside!

MEC Board nominations close November 27, 2017

Calling all bike commuters, weekend paddlers, weeknight climbers and overnight campers. Get ready to mix your business acumen with your outdoor obsessions and lead the charge in inspiring good times outside across Canada.

Mountain Equipment Co-operative is seeking candidates for our 2018 Board of Directors Election. We're looking for people with board or senior management experience in a similarly complex organization. One of Canada's most trusted brands, MEC has nearly 5 million members, \$465 million in annual revenues, a global supply chain, 2450 employees, 22 stores across Canada, and an online store.

This year, the Board is particularly looking for candidates:

- from ethnic and cultural groups not currently represented on the board,
- from central and eastern Canada,
- with experience at a senior governance or executive level of a business of similar or greater complexity to MEC,
- with experience leading a large organization undergoing significant growth and change,
- with broad retail or consumer-oriented experience in diverse sectors.
