Extraordinary Caring. Every Person. Every Time.

Join the Board of Directors of Niagara Health

Niagara Health (NH) is a community-based academic centre with a focus on teaching and learning, research and innovation. We are very proud of our strong partnership with the St. Joseph's Health System and our academic partners including McMaster University, Brock University and Niagara College. Serving more than 450,000 residents across 12 municipalities making up the Regional Municipality of Niagara, NH is a regional healthcare provider with multiple sites and a growing network of community-based services. The team is made up of more than 4,800 employees, 600 physicians, and 850 volunteers to deliver 'Extraordinary Caring. Every Person. Every Time'. We provide a wide range of inpatient and outpatient services to residents across Niagara, including Acute Care, Cancer Care, Cardiac Care, Complex Care, Emergency and Urgent Care, Kidney Care, Long-Term Care, Mental Health and Addictions, Stroke Care, and Surgical Care.

NH's Board of Directors is expanding to enhance the overall skills and experience of the Board and to promote effective succession planning. We are recruiting new Board Directors who have demonstrated leadership and governance experience, and a commitment to our Vision, Purpose, and Values. The ideal Board Candidate will have, or be working towards, a Chartered Director, or Institute of Corporate Directors designation.

To compliment the existing Board of Directors' background, the Board is interested in hearing from leaders with any of the following experience profiles:

- Finance/Risk Management
- Government Relations
- Legal
- Academic and Research
- Technology and Innovation
- Construction and Project Management
- Board Governance Experience
- Systems Thinker
- Executive Leadership
- Diverse Representation and Balance
- Connection to the Community/Region

Please submit your expression of interest to Judy Mandelman at Promeus Inc. at: resumes@promeus.ca. A detailed Board Director recruitment profile is available upon request.
